

# Cryptocurrency

Foundations in Education accepts gifts of Bitcoin, Ethereum, and other digital assets through Crypto for Charity, a secure donation platform built for nonprofits. Crypto for Charity converts your gift to cash immediately upon receipt, and your donation may be eligible for a charitable tax deduction based on its fair market value at the time of transfer.

## How to Give

1. Visit [cryptoforcharity.io](https://cryptoforcharity.io) and search for Foundations in Education.
2. Fill out the gift details form and select the cryptocurrency and amount you would like to donate.
3. You will receive a dedicated, one-time donation address for your transfer.
4. Send your gift, and you will automatically receive an emailed tax receipt from Crypto for Charity's affiliated nonprofit, FreeWill Impact Fund, confirming your donation.

Questions about a crypto gift can be directed to Diane Canevari at [DCanevari@FoundationsInEducation.org](mailto:DCanevari@FoundationsInEducation.org).

*Foundations in Education does not provide tax, legal, or financial advice. Please consult your own tax advisor or financial professional to determine how a gift of this kind applies to your individual circumstances.*
