

FLEXIBLE SEATING

Assumption Catholic School, Fairfield

2019-2020
PROJECT UPDATE

Grant Amount=\$3,000
Project Cost=\$3,000

155 Students Impacted
Grades K - 8

PURPOSE: To provide flexible seating options for students that might struggle with ADHD or focus during class. All classrooms in grades K-8 have been provided with a variety of flexible seating options as well as the library and resource room.

IMPACT: Flexible seating options have allowed for improved student focus and engagement in lessons, and has resulted in improved student performance overall, particularly in K-2 and grade 4. Student and teacher satisfaction in the classroom has also increased.

FUTURE PLANS: With procedures and expectations for using the flexible seating now in place, the new seating has become a valued tool for student learning.
