

Christopher Ripp Early Learning Program

All Saints Catholic School in Norwalk is the newest school to host the Christopher Ripp Early Learning Program. Established through a generous grant from Barbara and Peter Ripp, the Pre-K after school program piloted at St. Peter School in Danbury expanded to All Saints this year, under the guidance of Principal Linda Dunn.

The Early Learning Program assists parents of three and four year olds, as the primary educators of their children, by providing them with tools to help nurture social, physical, emotional, and academic growth, in a faith-filled, family-centered learning community. The program includes three parent sessions and family dinner.

Miss Rosa Milo, who teaches the program at All Saints, shared, "Every day children gather, sing, pray, learn, explore and experience new things. It is a joyful experience for the children and I am pleased to be part of it."
